Welcome!

We're so glad you're here! Woodlake United Methodist Church has been a proud part of this community for over 20 years. From our earliest beginnings in the cafeteria of an elementary school to our current situation of a multi-campus church, we have faithfully served God's people on the Southside of Richmond as a beacon of light and hope.

We are a diverse congregation of people just like you - young and old, single and married, laborers and executives, dreamers and do-ers, teachers and learners, followers and leaders.

We are a large community of small communities with a place just for you. We have several musical groups, scouting for boys and girls, interest and support groups, widowers groups, marriage enrichment groups, sports teams, Bible studies, and more. We have caring lay folks to help you through the tough times and our clergy are real people who live in your world and preach Bible-based, relevant sermons with a touch of humor that will help you get through your week.

Come along and join us on a journey of faith! For more information, contact Marie Misiaszek, Director of Adult Ministries, at marie@woodlakeumc.org, 739-4535, ext. 30 or visit our website at woodlakeumc.org.
